Harrison's Take-Home Soups

FAQs

-  **Q. I'd like to stock up on Harrison's Soups. Can I freeze them?**
A. Most of our soups are freezer-friendly, although there are exceptions. Roasted Butternut Squash Bisque should NOT be frozen. Ask our staff if you are unsure about other soups!
-  **Q. I'm not sure I'll eat a quart at a time. Can I get them packaged in smaller containers?**
A. Yes! Although we are selling soup by the quart, you may request to have your soups packaged in pint containers rather than our default quart container.
-  **Q. I just want a half-pint (or pint) of your soup. Should I pre-order it?**
A. No. Pre-orders are only for larger orders. For smaller amounts, just call Wednesday through Saturday for same-day pick up!
-  **Q. I want to order more items for carry out than just soup. How can I do that?**
A. Pre-order your soups, and then call in your carry out order the day you want to pick up. Just let us know at the time of your call that you have also pre-ordered soups.
-  **Q. I live in State College. Is it a long drive to your location?**
A. We are just 12 miles from State College, and every route to our place is scenic—enjoy a beautiful drive followed by delicious soup!
